

Fluorescent Light Tubes & Bulbs (Residential)

Accepted at the following site:

Corral Farm

CFL Bulbs

Fluorescent Tubes

Ballasts

How to Prepare for Recycling:

- CFL bulbs should be wrapped in paper for easy packing.
- Please recycle bulbs, tubes and ballasts separately.
- See site attendant for assistance.

Why Recycle?

Recycling each discarded fluorescent lamp tubes prevents mercury vapor from being released into our local environment.

Collected only at Corral Farm Collection Site as mercury containing items are considered universal (hazardous) waste with specific handling requirements.
